Eligibility

International students with F-1 visas enrolled in a full time associate, bachelor, master or Ph.D. degree program, or formal ESL program at a university, who are currently registered with no less than 6 credits hours (unless such school's full-time status requires less credited hours), and International Visiting Scholars with J-1 visas are eligible to enroll in this insurance Plan. The six credit hours requirement is waived for summer, if the applicant was enrolled in this plan as a full-time student in the immediately preceding spring term.

Students must actively attend classes for at least the first 31 days after the date for which coverage is purchased. Home study, correspondence, and online courses do not fulfill the Eligibility requirements that the student actively attend classes. The Company maintains its right to investigate Eligibility or student status and attendance records to verify that the policy Eligibility requirements have been met. If the Company discovers the Eligibility requirements have not been met, its only obligation is to refund premium.

Eligible students who do enroll may also insure their Dependents. Eligible Dependents are the student's legal spouse and dependent children under 26 years of age.

Dependent Eligibility expires concurrently with that of the Insured student.

U.S. citizens are not eligible for coverage as a student or a Dependent.

Effective and Termination Dates

The Master Policy on file at the school becomes effective at 12:01 a.m., July 1, 2014. The individual student's coverage becomes effective on the first day of the period for which premium is paid or the date the enrollment form and full premium are received by the Company (or its authorized representative), whichever is later. The Master Policy terminates at 11:59 p.m., September 30, 2015. Coverage terminates on that date or at the end of the period through which premium is paid, whichever is earlier. Twelve (12) months is the maximum time coverage can be effective under any policy year for any Insured person. Dependent coverage will not be effective prior to that of the Insured student or extend beyond that of the Insured student.

Refunds of premiums are allowed only upon entry into the armed forces. No more than 12 months of coverage may be purchased per policy year.

Choice of Plan

Each eligible student has a choice of one of four Global Traveler health insurance Plans, Diamond, Silver, Gold and Platinum. Each plan provides eligible students with a choice of two Deductible options. This brochure provides information on the options for the Gold Plan. The Gold Plan has higher benefits and premiums than the Silver Plan.

Under the Gold Plan, eligible students have a choice of one of two Deductible options:

Plan 1 - \$0 Deductible for Preferred Providers and \$150 Deductible for Out-of-Network Providers (2014-202820-1)

Plan 3 - \$500 Deductible for Preferred Providers and \$750 Deductible for Out-of-Network Providers (2014-202820-3)

Please review the benefits and make your selection carefully. You cannot upgrade coverage after the initial purchase of the plan for the policy year. Please be aware that if you choose to upgrade coverage in any subsequent policy year the benefit levels above your previous plan's limits will be subject to a new Pre-Existing Condition exclusion and waiting period. You will not be subject to a new Pre-Existing Condition exclusion on the lower benefits levels.

Note: No Pre-existing Condition exclusion will apply for the Platinum or Diamond Plans.

The Silver Plan (policy 2014-202822), Diamond Plan (2014-202821), and the Platinum Plan (2014-202819) are outlined in separate brochures.

The total payments made in respect of the Insured for such condition both before and after the Termination Date will never exceed the Maximum Benefit.

After this "Extension of Benefits" provision has been exhausted, all benefits cease to exist, and under no circumstances will further payments be made.

Online Access to Account Information

UnitedHealthcare **StudentResources** Insureds have online access to claims status, EOBs, ID Cards, network providers, correspondence and coverage information by logging in to **My Account** at www.firststudent.com. Insured students who don't already have an online account may simply select the "create **My Account** Now" link. Follow the simple, onscreen directions to establish an online account in minutes using your 7-digit Insurance ID number or the email address on file.

As part of UnitedHealthcare **StudentResources**' environmental commitment to reducing waste, we've adopted a number of initiatives designed to preserve our precious resources while also protecting the security of a student's personal health information.

My Account now includes Message Center - a self-service tool that provides a quick and easy way to view any email notifications we may have sent. In *Message Center*, notifications are securely sent directly to the Insured student's email address. If the Insured student prefers to receive paper copies, he or she may opt-out of electronic delivery by going into *My Email Preferences* and making the change there.

ID Cards

One way we are becoming greener is to no longer automatically mail out **ID Cards**. Instead, we will send an email notification when the digital ID card is available to be downloaded from **My Account**. An Insured student may also use **My Account** to request delivery of a permanent ID card through the mail.

UHCSR Mobile App

The UHCSR Mobile App is available for download from Google Play or Apple's App Store. Features of the Mobile App include easy access to:

- ID Cards – view, save to your device, fax or email directly to your provider. Covered Dependents are also included.
- Provider Search – search for In-Network participating Healthcare or Mental Health providers, call the office or facility; view a map.
- Find My Claims – view claims received within the past 60 days for both the primary insured and covered dependents; includes Provider, date of service, status, claim amount and amount paid.

UnitedHealth Allies

Insured students also have access to the UnitedHealth Allies® discount program. Simply log in to **My Account** as described above and select **UnitedHealth Allies Plan** to learn more about the discounts available. When the Medical ID card is viewed or printed, the UnitedHealth Allies card is also included. The UnitedHealth Allies Program is not insurance and is offered by UnitedHealth Allies, a UnitedHealth Group company.

Claim Procedure

In the event of Injury or Sickness, students should:

1. Report to Student Health Service, Infirmary or their Physician or Hospital for treatment.
2. Mail to the address below all medical and hospital bills along with the patient's name and insured student's name, address, SR ID number (insured's insurance company ID number) and name of the policy under which the student is insured. A Company claim form is not required for filing a claim.
3. Submit claims for payment within 90 days after the date of service. If the Insured doesn't provide this information within one year of the date of service, benefits for that service may be denied at our discretion. This time limit does not apply if the Insured is legally incapacitated.
