Student Athletes - How to Submit your Sports Claim

Lycoming College – BAH-2000016-0815

The First Step

- **An Injury Occurs**

As soon as the injury occurs, contact the Athletic Trainer or other Delegated Authority in the Athletic Department to obtain the Notification of Claim Form and Claim Submission Information Form.

- **Notification of Claim Form**

This form provides us with the information we need to process your Athletic Claim on a timely basis. It should be completed by you and the Athletic Trainer or other Delegated Authority on the date of the Injury if possible. The Athletic Department will email, fax or mail a copy to us before you visit your doctor or hospital. You will also be given a copy of the form to take with you to give to your provider. The provider will submit this form with the claim.

- **Yearly Authorization Form**

If you would like someone from your Athletic Department or a parent to assist you with filing your claim and to be able to discuss details of your claim with our claim department, you will need to complete and sign a PRA (Personal Representative Appointment) Form. The PRA Form will need to be submitted directly to our claim department by email, fax or mail at the number or address at the bottom of the page. The Yearly Authorization Form gives us permission to discuss any and all medical conditions with your Personal Representative, throughout the school year. This form is filled out once and is good for every injury for the entire school year.
