### PROCEDURE FOR CHANGING A PRIMARY CARE DENTIST

**\*List Only** - facility marked as "List Only" will only provide appointment to active members listed on a current roster. You may not transfer to these facilities until the start of the following month.

A request to change a primary care dentist can be accomplished in a few simple steps.

- The Employee simply contacts a customer service representative at 1-800-722-3524 to request a change. Changes will only be honored by having the Employee to the plan contact Flagship.
- Flagship will approve changes once all outstanding balances are paid to the current Plan Dentist and there is no treatment in progress.
- Requests received by the 20th of the month will be effective the first of the following month. Requests received after the 20th of the month will be effective in two months.

**\*\*Please Note:**

Flagship shall have the right to review and possibly deny request for change of Plan Dentist if the number of requests made by an Employee is deemed excessive.
